

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

April 22, 1999      LB 835

SENATOR WEHRBEIN: I assume so. I was thinking actually more of cattle and pork producers, but I assume Farm Bureau may be. I really...I don't really know. I...I suppose I should be fair and expand that. There may be...there's probably several; I shouldn't pick any out.

SENATOR CHAMBERS: But at least when you said "organizations," you meant those directly involved in agriculture, not just some of these that we might consider lobbying groups and so forth.

SENATOR WEHRBEIN: Well, they all do (inaudible).

SENATOR CHAMBERS: I mean they might be in it, too,...

SENATOR WEHRBEIN: Yeah.

SENATOR CHAMBERS: ...but there will be some direct representation from those who are involved in agriculture.

SENATOR WEHRBEIN: Yes.

SENATOR CHAMBERS: Okay, thank you. Now I would like to ask Senator Dierks a question, if I may.

SENATOR DIERKS: Yes.

PRESIDENT MAURSTAD: Senator Dierks.

SENATOR CHAMBERS: Senator Dierks, based on what Senator Wehrbein just mentioned, what is there in LB 835, if you know, that may still stand, even with federal preemption on the reporting? If you know.

SENATOR DIERKS: The only thing that I know, Senator Chambers, is that we have nothing in LB 835 that says we will bow to federal rules and regulations, or that if they...

PRESIDENT MAURSTAD: One minute.

SENATOR DIERKS: ...if they are stronger than ours, why, we can acc...that will...we can take that. We think that what we've done for Nebraska in this bill is adequate for Nebraska.
